COCOA.

Almost an ice famine; the factory laid
up for repairs.

A light shower Wednesday night cooled
the atmosphere.

Mrs. C. R. Mackey and children are
visiting Judge Mackey's family in St.
Augustine.

Mrs. M. M. McLoud has gone with her
children to recuperate at her old home
in the northern part of the state.

Mrs. W. G. Paterson and son Johnnie
are off for a month's stay at Daytona.
Mr. Paterson will join them later and
bring them home.

Miss Leonice Lapham, of Indianola,
accompanied her aunt, Miss Eyre, to
North Carolina. From thence she goes
to Columbus, O., to visit relatives and
friends.

Miss Annie Bulloch, who has been the
guest of Miss Fannie C. Carter, left on
Wednesday for her home in Bartow.
Miss Bulloch has quite recovered from
her bicycle accident of two weeks ago.

Miss F. C. Carter has rented the busi-
ness room vacated by Mr. Stilling, on
Delannoy avenue, and will open a rac-
quet store. If you don't know what that
is, just go and see when she is ready to
receive you.

Miss Kate Eyre has gone on her in-
tended trip north. She goes to Black
Mountain and other North Carolina
places, and later will extend her trip in-
to New York and Ohio. "Oh! ring dem
cha'ring bells."

Judge Chas. Hammond has gone to
spend the heated term in the Windy
City, on Lake Michigan, to visit his
brother and to find out how they do
the sunstroke business and to see the ther-
mometer register 100 in the shade, two
conditions not compatible with fair Flor-
ida.

Mrs. C. J. Schoonmaker left on the 9th
for New York via Clyde line. The peo-
ple of Indian river will be shown the
a la mode in millinery upon her return.
She is an artist of no small merit in more
ways than one, and her tastes in millin-
ery are most excellent. The Emporium
has done well to secure her services.

Cocoa is to have three schools this
year. Prof. W. W. Smith is engaged for
the higher department, Miss Beatrice
Sanders for intermediate, and Miss Har-
dee will continue in the primary depart-
ment. The patrons and pupils are all
sorry to lose Miss Carter, but are glad
that she is to remain with us. She will
ever have a large influence over her
former pupils that will tend to uplift
them to higher motives and successes in
life. In her two years' ministrations in
schoolroom, she has gained a strong
hold on their affections.

ROCKLEDGE.

The Merchant, trade boat, arrived in
port Saturday night for another cargo of
merchandise.

Mr. and Mrs. J. J. White left on Satur-
day for their trip north. They stopped
over Sunday in Daytona.

Miss Annie Bulloch, of Bartow, who is
visiting Miss Carter, at Cocoa, spent
Monday and Tuesday in Rockledge, the
guest of Mrs. G. N. Hatch.

Mrs. A. J. Crosby moved from Rock-
ledge to Cocoa, into the Wood house, on
Delannoy avenue, last week. Mr. Cros-
by is at Palm Beach at work for Mr.
Flagler.

Mr. J. S. Coats is very ill, though more
comfortable at this writing. He is
thought to be suffering from appendicitis.
Dr. G. W. Holmes is the attending phy-
sician. His friends hope for a speedy re-
covery.

The Bowers grove has been sold to
Major Russell, of Philadelphia, who will
proceed to put it in excellent shape and
perhaps erect a fine residence thereon.
The march of improvement goes steadily
forward.

Mr. James Willis, who has been occu-
pying one of the Wilkinson cottages, left
for his old haunts in New York city last
Saturday. Without doubt the first breath
of Jack Frost will send him back again
to the land of sunshine and flowers.

Preparations are being made to remove
the Wilkinson cottages and to prepare
the grounds for greater improvements.
Some think Mr. Pettee contemplates put-
ting up a hotel with all modern improve-
ments, while others say it is a fine resi-
dence with all modern accessories. How-
ever either will be a great improvement
on its present condition. It is the finest
site on the river for either.

EAU GALLIE.

Ice famine again this week, and much
loss of fish in consequence.

Mr. and Mrs. Field, of Lotus, were in
Eau Gallie on Tuesday last.

Land seekers are in our town and are
inspecting the surrounding country with
a view to investing.

Theo. Deyman has built himself a new
dingy to carry on his business cruises
with the sloop Shadow.

The finishing touches in painting have
been put on St. John's Episcopal church.
E. Spiller had the contract.

Melons and tomatoes are plentiful in
Eau Gallie at this date, grown by J.
Booth, one of our truck growers.

E. Spiller has resumed work on J. E.
M. Hodgson's residence, having been de-
layed by the non-arrival of part of the
furnishings.

G. F. Paddison's new building for man-
ufacturing purposes is now well under
way. The carpenter work is under the
charge of Alex. Near.

ditions to the machinery of his new
launch Utillis placed in position at Hodg-
son's boat yard on Tuesday.

Theo. Deyman, the piano tuner, has
left for points on the lower river on a
business tour. Mr. Deyman is making
the trip in his sloop Shadow.

P. A. McMillan is making additions
weekly to the comfort and furnishing of
his hotel, and intends making it a cozy,
homelike place for his guests.

Mr. Prevost, of Lotus, was in Eau Gal-
lie on Tuesday. This gentleman will re-

build his store and go into business as
soon as possible at the old stand, Lotus.

Mr. and Mrs. W. J. Nesbitt left for
Canada and the Pan-American on Sun-
day last. Mrs. Nesbitt carried many
Florida curios with her for Canadian
friends.

At the baseball match on the Fourth
at Melbourne, Eau Gallie came off win-
ner with 11 to 1 for Melbourne. A large
number of our citizens went to Mel-
bourne to attend the match and take in
the day's amusements.

The Edna, the large sloop owned by
Mr. E. J. Burns, of Canaveral, was on
Hodgson Bros' ways this week being
overhauled and painted. She sailed for
Canaveral on Wednesday.

The Fourth at Melbourne was attend-
ed by guests from Titusville to the St.
Lucie river, and the ball at Educational
hall in the evening was a great success.
Professor Deyman furnished the music
on this occasion.

MELBOURNE.

Mr. George Sears, of Wabasso, was in
town Saturday.

Miss Jennie Miller left on Monday for
Wabasso, where she expects to teach
school.

Mr. Edgar Louis, of Chicago, has spent
the past week in town looking after some
property he owns in South Melbourne.

The Fourth of July in Melbourne was
in truth a gala day; people from all
points along the river came to help us
celebrate, and although we had showers
in the morning the people seemed to en-
joy the day's sports—a boat race, bicycle
race, and baseball game, a fine display of
fireworks in the evening, and a grand
ball at Educational hall, at which were
many visitors from Indianola, Courtenay,
Merritt, Cocoa, Eau Gallie, Eden, Titus-
ville and other points. Prof. Deyman
and Mr. John Nicholson furnished fine
music for the evening. The reception
committee were the Mesdames R. Nich-
olson, E. M. Campbell, R. W. Goode and
S. F. Gibbs. Floor committee, Messrs.
Alex. J. Goode, C. M. Beaujean and J.
R. Nicholson. The grand march was led
by Miss Florence Hodgson and Mr. T. C.
Nicholson. Among those present were

ders, Messrs. B. and Sam Sanders, Joseph
Fields, St. Clair Nesbitt, Mrs. Maggie
Wallace and Mr. Wallace, of Indianola;

Cocoa; Miss Harper, Courtenay; Mr.
Russell, Eden; Misses Jessie McMillan,

Gallie's team. This team won the ad-

and good playing, showing how well they
had practiced for this game. They
meant to win when they came, and they
did by a score of 11 to 1.

SHARPE'S.

Mr. and Mrs. H. S. Black are at home
at Sharpe's for a short stay, after spend-
ing some months at Pablo Beach. They
expect to spend the summer at Pablo
Beach.

CASTORIA.

Bears the
Signature of Dr. W. H. Hutchins

Mr. Harry Hentz arrived at City Point
last Friday for a summer's visit to his
old home. Mr. Hentz being of the same
genial disposition as his father, has al-
ways been a great favorite and was
warmly welcomed by all his old friends.

The feeling of satisfaction at the re-
appointment of Mr. Fries, as road super-
visor, by the county commissioners, is
general, although he has been a good
deal criticized for not requiring more
efficient work of the contractor in keep-
ing the road in order.

Wesley Mobley married little Mary
Ashley, only a little over thirteen years
old, both living about nine miles from
Fort Myers, went to Myers, took the
steamer and went to Punta Gorda, where
Deputy Sheriff Bowman met them, took
the bride to his home and locked Mobley
in jail. Later the case was compromised
and Mobley released, but the indignant
father took the little girl home with
him.

Your Hair

"Two years ago my hair was
falling out badly. I purchased a
bottle of Ayer's Hair Vigor, and
soon my hair stopped coming out."
Miss Minnie Hoover, Paris, Ill.

Perhaps your mother
had thin hair, but that is
no reason why you must
go through life with half-
starved hair. If you want
long, thick hair, feed it
with Ayer's Hair Vigor,
and make it rich, dark,
and heavy.
